

WORKSHOP

Localized scleroderma

Diagnosis, Classification and Therapy

Convenors: R. Knobler (A), T. Krieg (D), K. Takehara (J)

Programme

- | | |
|-------------|---|
| 13:00-13:05 | Introduction T. Krieg (D) |
| 13:05-13:25 | Pseudosclerodermatous Diseases. How to make a Diagnosis F. Rongioletti (I) |
| 13:25-13:35 | Classification of localized scleroderma and the European approach P. Moinzadeh (D) |
| 13:35-13:45 | Classification of localized scleroderma – the US experience H. Jacobe (USA) |
| 13:45-13:55 | Lessons from the Japanese registry Y. Asano (J) |
| 13:55-14:05 | Discussion |
| 14:05-14:30 | Selected case presentations – diagnostic challenges A. Kreuter (D), L. Rudnicka (P) |
| 14:30-15:00 | Coffee Break |
| 15:00-15:20 | Topical and UV-associated therapy of Localized Scleroderma R. Knobler (A) |

- 15:20-15:40 Systemic Therapies
J Seneschal (F)
- 15:40-16:05 Selected case presentations – difficult treatment decisions
I. Foeldvari (D), D. Davis (USA)
- 16:05-16:25 New therapeutic developments based on pathophysiological concepts
N. Hunzelmann (D)
- 16:25-16:30 Summary
K. Takehara (J)
